

PROJECT MANAGER

Econstruct are market leaders in Environmentally Sensitive Construction.

At Econstruct we believe in rewarding staff for a job well done. Amongst other benefits, the successful applicant can expect:

- A permanent career opportunity.
- A friendly team based work environment.
- A competitive salary package.
- Free parking.
- Access to a performance based bonus system.
- Ongoing personal and professional training and development.
- Flexible work hours and conditions.

You will have or be able to demonstrate:

- Construction Project experience (preferably residential)
- Exceptional time management.
- Proven history of delivering projects on time & on budget.
- Diploma or Degree in Construction / Project Management (or studying towards).
- An appreciation for *QUALITY* rather than *QUANTITY*.
- A *PASSION* for ecologically sound construction would be highly regarded.

If you believe you have what it takes we would love to hear from you.

Please send your CV along with a covering letter to:

The Human Resource Manager
Econstruct
PO Box 3129
Myaree WA 6154
